

Ramapo High School Athletic Hall of Fame

The Ramapo High School Hall of Fame is being established this year to honor and recognize those individuals or teams that have achieved an exceptional level of success during their careers as either an athlete, coach, team, or through some other significant contribution to the Ramapo High School athletic program. The purpose of this Athletic Hall of Fame is to perpetuate the memory of those people who have brought honor, distinction, and excellence to Ramapo High School athletics.

The Ramapo High School Athletic Hall of Fame Selection Committee is now accepting nominations for next years candidates which will be presented in the Spring of 2007. It is hoped that the recipient will come to the Spring Induction to accept the award and address fellow inductees, family, and friends of the school. Please fill out the nomination form to make a recommendation. You may nominate more than one alumna or alumnus. All names of nominees for consideration not selected for the Spring 2007 will be retained and considered for future years.
